

Magnetic Catch System, 2 Magnets

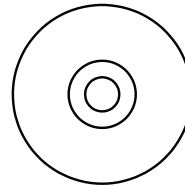

Installation Instructions

Installation Parts & Hardware

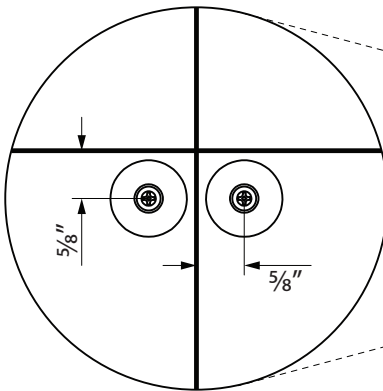

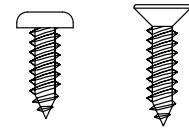

Top Door Strike Plate

Magnets (x2)

Wood Screws

Top Door Installation:

1. Install a magnet on the interior side of each door $\frac{5}{8}$ " from the top of the door and $\frac{5}{8}$ " from the center edge of the door.
2. With the doors closed, place the Top Door Strike on the magnets. Secure the strike to the top door frame.
3. Open the doors and ensure they each close and latch securely to the magnets.
